

Ladbroke Primary School

Friday 17th June

HEADTEACHER'S NEWSLETTER

Sad Goodbyes

It is with great sadness and a heavy heart that I have to announce that we are going to be saying goodbye to two of our much loved and longest serving teaching assistants in the coming few weeks.

Mrs Hafeez

Mrs Hafeez has been working at Ladbroke for over 15 years. Having started by helping in school as a parent volunteer, she has gone on to be instrumental in supporting children throughout the school, more recently in KS2 and this year in Y5.

Her commitment, enthusiasm and intuitive skills have helped guide children on their learning journey and helped them make the progress in reading, writing and maths that they deserve.

Now, with her son all grown up, she has decided it is time for a new career path and will be leaving us for an exciting new challenge

Mrs Wilkinson

Mrs Wilkinson has been at the school for 22 years, one of our longest serving teaching assistants. Over the years Mrs Wilkinson has worked across the school with all different ages showing great care and dedication to ensure children are making great progress as well as being emotionally supported.

Over the past few years, Mrs Wilkinson has been the leading force in developing our after school provision. Starting with only a handful of children, she has created a welcoming environment that the children want to go to (even when parents do not need the wrap around care).

She has decided to put her wonderful caring nature to another use, providing care for adults in the community

I am sure you will all join me in wishing them well in their new roles. They will both be sorely missed by the children and staff alike and although leaving us, they will always be part of the Ladbroke team and we hope they will keep in touch regularly.

SPORTS DAY

SPORTS DAY will be held on Friday 8th July (weather permitting). Reception to Y2 will be held in the morning and Y3 to Y6 will be held in the afternoon. Parents are welcome to come and watch the events.

More details will be sent out nearer the date.
