HEADTEACHER'S NEWSLETTER

A Quick Update from Miss Webster

As we begin to settle down into the new term, I know some of you are aware that we have seen our first cases of COVID in school both in staff and in children. This is not something unique to our school, having spoken to local head teachers, all schools are experiencing the same situation. I can assure you that all procedures and protocols are being followed in school and I would ask parents to remain vigilant to symptoms at home to help us keep cases as low as we can.

Thank you.

Playground Apparatus

Children should **not** be playing on the apparatus before school and after school. Please would all parents support us by ensuring children are collected on time and then leave the premises as quickly as possible. This is to ensure we can close and lock gates before after school activities commence, keeping everyone on the school grounds safe.

Flu Vaccination Forms

Please can all parents ensure that they have returned the flu vaccination form by Monday 20th September. Even if you do not want your child to have the vaccination, we still need the form back. If you do want the vaccination but do not return the form, we are unable to administer it.

Thank You
