CHALLENGE SPORT & EDUCATION

# 25 Challenge Fundraiser

To celebrate us being on our current site for 25 years, FOLS have put together a 25 challenge fundraiser that we would love you and your family to get involved with.

You will already have received information on this via email, but your child will come home with copy of the challenges for you to get started on and the challenge will be spoken about in an assembly soon.

The letter sent home with the children will explain the challenge in more detail. There are 4 school challenges which will take place before the end of June. When your child's class has completed a school challenge, you will receive a message via the Gateway.

Every penny counts and will help us achieve our target of buying a new set of iPads for the school and renew our playground markings.

**Thank you for your support**
