July 2023

Dear All

### **LADBROOKE JMI SCHOOL 2022/23**

An OFSTED inspection was carried out in November 2022 and the report stated that Ladbrooke School continues to be rated as 'good'. The report highlighted many positive attributes of the school and some areas where we can improve; an action plan has been put in place to address these areas. The report is available on our website if you would like to read it in detail. These Inspections are stressful, and I would like to thank the school staff in preparing and participating in this Inspection and also for their work throughout the year. We continue to strive to ensure that the school provides a safe and aspiring place to learn and the OFSTED report indicates that this is being achieved.

The year has been a success in terms of developing and shaping our children and preparing them for the future. There has also been good academic progress and achievement throughout the school. While Covid restrictions are now lifted there are still lasting impacts from the lockdowns. As such the school continues to pay particular attention to closing any gaps following home schooling and other covid related impacts.

I would like to congratulate all the children for their hard work and good attendance. Following their pretty tough SATs, I would like to wish all of our current Y6 the very best for the future in their new schools. I'm sure their time at Ladbrooke has enabled them to develop and prepare them for the future, with a life-long love of learning. We look forward to seeing everyone else back in September.

The Governing Body has prepared an Annual Report which is on the website and this sets out our work during the last year. We believe we have a good well rounded Governing Body that fulfils its functions in a rigorous way, though we are by no means complacent. If you have any questions or concerns please do not hesitate to ask.

We say goodbye to Mrs Dowdall who is retire at the end of the year after 14 years at Ladbrooke. We would like to thank her for her work and commitment over so many years.

Let's continue to 'Work Together, Achieve Together'!

Governing Body  
Ladbrooke JMI School
