Dear All

LADBROOKE JMI SCHOOL 2017/18

Congratulations to all of the children at Ladbroke School. They certainly have followed the school motto of 'Work Together, Achieve Together!' The school has again been successful in terms of academic progress and achievement. The school also recognises and places a great importance on developing and shaping our children and preparing them for the future and this is one of the school's real strengths.

The governors would particularly like to thank Miss Webster and all the school staff and volunteers who have worked exceptionally hard during the year – a real team effort! As we say every year, the school has a major impact on the education of our children, but it is also the support of parents, guardians and others outside of school that really help to shape the future of our children. Without your help the school would not achieve what it does – so thank you for your help. We would also like to thank FOLS for all the various events and activities throughout the year which have been great fun for all and have raised much needed funding for the school too.

Last year we had the Ofsted inspection in which we were rated as 'good'. The school does not intend to rest on its laurels and have looked at areas where we can improve. Various initiatives and interventions have been put in place as we strive to become an outstanding school both in terms of our Ofsted assessment but more importantly for the benefit of all the children at our school. Due to the continued help of parents and guardians our attendance has improved over the last year, though we can of course do even better!

The Governing Body has prepared an Annual Report which is on the website and this sets out our work during the last year. If you have any questions or concerns please do not hesitate to ask!

We are sure you will agree that the school provides a safe and aspiring place to learn. Our children obviously make the school what it is and we would applaud them for all their efforts during the year. We wish our Year 6 the very best for the future as they move on to their new schools.

We hope everyone has a great summer holiday and look forward to seeing you all next September.
