

Ladbroke Primary School

Friday 3rd October

HEADTEACHER'S NEWSLETTER

October Already!

It has been a busy, but lovely, start to the new school year. All the children appear to have settled into their new classes and learning is happening everywhere I look.

The displays are beginning to build around the school and the work in the books is already beginning to show progress. Keep up the good work.

GENTLE REMINDERS

The whole of the Ladbroke site is non smoking. This includes e-cigarettes

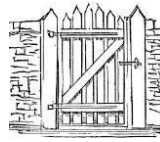

Dogs are also not permitted on the school grounds at any time.

The apparatus in school is out of bounds before and after school. Please would all parents ensure their children are adhering to this rule

Please do not use the cord to prop the gate open when collecting your child from after school clubs. Children should not be trying to attach the cord as it can ping back and could cause an injury if not used correctly.

Thank you

All children should be reading regularly and ideally every day. Please would all parents ensure they are recording their child's reading in their planner so the teachers can monitor what they are doing. The more your child reads the more progress they will make.
